

Trinity Term – June 2019

Spring Lunch is served!

On Tuesday 21st May, the Elementary children were treated to a delicious Spring Lunch. The Parents Association served the children with pasta, tender-stem broccoli and snow peas in a mild cheese sauce, followed by Eton Mess for dessert. Everyone returned again and again for more helpings of everything, until all that remained were empty plates and bowls and very contented children!

School Open Day

St Helens Montessori school welcomed current and new parents to their Open Day on Saturday 8th June. This year the Parents Association arranged for some wonderful Forest School activities to take place in the beautiful nursery garden, to keep children entertained whilst prospective parents viewed the classrooms and grounds, and spoke to the teachers.

We had an excellent Open Morning, with lots of new parents and children interested in placements. The Parents Association organised a cake stall with lots of variety to tempt visitors with a treat or two. A special thank you to the Elementary children who did such a fabulous job of showing prospective parents around the school, and also to everyone involved who helped to make this year's Open Day such a success.
